

River Bend Center: River Bend 9
High Ceilings and Large, Open Office Spaces

River Bend 9 is a two-story split-level building well suited for corporate headquarters or a research center requiring a high percentage of dedicated office space. A large courtyard in the center of the building adds to River Bend 9's comfortable work environment.

Details:

- Ideal for communications or high technology usage
- Advanced communications capabilities include fiber optic loops and direct connections to uplink satellite dishes
- Redundant power supply and communication lines
- Card-key secured access
- Ample parking
